You'll find Banshee on some of the best restaurant lists and in the glasses of wine geeks around the world. Banshee is a group of winemakers who work with high-end vineyards to carefully craft wines of purity and balance. From their Sauvignon Blanc to their Pinot Noir they give the world wines with real joie de vivre. Banshee wines is one of the most exciting wines to hit Colorado from California. Join Natural Wine Co. and Bradford Heap for this exquisite wine tasting. We guarantee these will be your new favorite California wines.
